CW	I'm afraid. \\\	Moi, j'ai peur. \\\
CILINS	Nobody else! Nobody else. I went just to see him. In order to have spoken about all that very clearly. I've always told him, I've always told him. Just last week, I told him, [I/A], he's repeatedly told me that she was... that "She'll never betray you. She'll never betray you. She'll never hand over any document whatsoever." [I/A...] He said to me "Listen, that's good, but I want you to go see and I want you to destroy those documents." He told me "Fine, you go. Do what you want, but I want you to tell me that 'I saw that the documents were destroyed. It's over. There are no more documents.'" And it's on that basis, therefore, I told you. I'll repeat it, so it's really clear in your head. The five that is planned, [I/A...], you'll get it if they aren't ejected. If they're still in the project. What you'll get, no matter what happens, the... one million. That is, two hundred plus eight hundred, you'll get that. And I'll mark it on a little piece of paper just like that because... [I/A]. So, if... right... We'll put it like this, ah. One. Five. And here, I don't know how much. It... it will... from... in eight hundred, two hundred and eight hundred. So that, that's in Freetown. And	Personne d'autre ! Personne d'autre. Je suis allé exprès pour le voir. Pour avoir parlé de tout ça très clairement. Je lui ai toujours dit, je lui ai toujours dit. Encore la semaine dernière, je lui ai dit, [I/A], il m'a toujours répété qu'elle était... que « Jamais elle te trahira. Jamais elle te trahira. Jamais elle donnera quelque document que ce soit. » [I/A...] Il me dit « Écoute, c'est bien, mais je veux que tu ailles voir et je veux que tu détruises ces documents. » Il m'a dit « Voilà, tu vas. Tu fais ce que tu veux, mais je veux que tu me dises que " J'ai vu qu'on a détruit les documents. C'est terminé. Il y a plus de documents. " » Et là-dessus, donc, je t'ai dit. Je te répète, que ça soit bien clair dans ta tête. Les cinq qui sont prévus, [I/A...], tu les auras si ils sont pas éjectés. S'ils sont toujours dans le projet. Ce que tu vas avoir, quoi qu'il arrive, le... un million. C'est-à-dire, deux cents plus huit cents, tu vas les avoir cela. Et je te marque sur un petit bout de papier juste comme ça parce que... [I/A]. Donc, si... voilà... On va mettre ça comme ça, ah. Un. Cinq. Et là, je sais pas combien. Ça... ça va se... de... en huit cents, deux cents et

CW		Five?	Cinq ?
CILINS		Five. If... OK. This is if OK. And if it's OK, depending on how it is, if he doesn't get too much taken away, because you know, you saw everything they wanted to ask from him here and there. If they don't take too much away from him, there will be this. And here in my opinion, there will be some. It's practically certain. How much I don't know. Two, three, five. I don't know. But there will be some in any case. So, all told, if you will, imagine [I/A] maybe, imagine that it's five. I don't know. All told that makes eleven [I/A]. That's the, the, the active thing. OK? However, I assure you... Last week, it was indispensable. He told me "Listen: you go, you have to, I	Cinq. Si... OK. Ça, c'est si OK. Et si c'est OK, selon comment c'est, si on lui coupe pas trop, parce que tu sais, tu as vu tout ce qu'ils voulaient lui demander ici et là. S'ils le coupent pas trop, il y aura ici. Et là à mon avis, ici il y aura. C'est pratiquement sûr. Combien je sais pas. Deux, trois, cinq. Je sais pas. Mais il y aura de toute façon. Donc, en tout, si tu veux, imagine [I/A] peut-être, imagine que ça soit cinq. Je sais pas. Ça fait en tout onze [I/A]. Ça c'est le, le, le truc actif. OK ? Par contre, ça je t'assure...
